# THE BEST SHOWCASE FOR YOUR PRODUCT

## CACHOEIRO STONE FAIR

30 years of history and support for the ornamental stones sector's development.

Held in Cachoeiro de Itapemirim, the country's largest stone processing park, the event, which began in 1989 with 32 exhibitors, gained international fame and over the years achieved the status of the main Brazilian market fair.

Cachoeiro Stone Fair brings together the main companies from Brazil and creates an excellent environment to great business within the entire productive chain of the sector.
